HIALEAH WELCOMES ACE HARDWARE TO THE NEIGHBORHOOD!

Hialeah, Florida –

Mayor Julio Robaina, the esteemed City Council and the City of Hialeah are proud to announce *another* business opening within the City of Progress!

Hialeah Ace Hardware is the first Ace Store to open by owners William and Madeleyn Bloodworth. The store has been designed to provide shoppers with solutions to their everyday home improvement needs by having an extensive array of quality products, coupled with hands-on service, right under the same roof.

The grand-opening will kick off with a ribbon cutting ceremony hosted by Mayor Robaina and the celebration will continue all weekend long with festivities that will include a drawing for a free \$750.00 stainless weber grill to be given away throughout week end . Hialeah Ace Hardware will also be giving away five \$100.00 shopping sprees to lucky customers. A special bag sale which allows for customers to receive a 20% discount on any items that fit into the bag will be running throughout the Grand Opening weekend as well.
